INSIDE INFORMATION PROFIT WARNING

This announcement is made by FY Financial (Shenzhen) Co., Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (“**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2020 (the “**Interim Period**”) and other information currently available to the Group, the Group is expected to record a significant decrease in profit attributable to equity owners of the Company for the Interim Period by approximately 44% as compared with that for the six months ended 30 June 2019 of approximately RMB25.8 million.

The decrease was primarily attributable to the impact of the outbreak of Coronavirus disease (“**COVID-19**”) which caused revenue reduction in:

- (i) finance leasing services as a result of decrease in demand due to the temporary suspension of operation and production of the Group’s downstream customers in certain areas in the People’s Republic of China (“**PRC**”); and
- (ii) advisory service as a result of certain prevention and control policies such as travel restrictions imposed by PRC government in various areas to curb the spread of the COVID-19, which have disrupted the due diligence performed on customers including on-site visits and face-to-face interviews, which are crucial in risk assessment undertaken by the Group.

The information contained in this announcement is based on the information currently available to the Group and the Board's preliminary review of the unaudited consolidated management accounts of the Group for the Interim Period, and is not based on any figures or information audited or reviewed by the auditor or the audit committee of the Company. Therefore, the above information is subject to adjustments and may be different from the unaudited interim results of the Group for the Interim Period. Shareholders and potential investors are advised to read carefully the unaudited consolidated interim results announcement of the Group for the Interim Period, which will be published in due course pursuant to the requirements of the GEM Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
